**\*Please hang this on your refrigerator or somewhere easy to access**

**The best way to reach us is by messaging us through the Brightwheel App. (Please note the messages are private between The Good Life Staff and you) This goes to all of our devices and allows us to quickly answer any urgent messages. This also allows Teachers to stay focused on the students in their class. If you need to speak to someone immediately please **Text or Call Tiff 503-467-6565 during school hours.****

**If your child is absent:** It is your responsibility as a parent of our program to notify us if your child will be out or late more than an hour past their scheduled time. Please mark your child absent or send us a message in the Brightwheel App. ***If they are sick:*** Please let us know in your Brightwheel message what your child's symptoms are, so we can do an extra sanitation or watch for the spread of the illness with other children in our program. As a reminder, the sick policy is to keep them home if they have two symptoms or if one symptom is fever, vomiting or diarrhea. (Your child must be symptom free for at least 24 hours before returning to school). Thanks for helping us keep sickness limited for other students and our Teachers. **WE LOVE TO SHARE, JUST NOT GERMS.**
